Dear Judge Seybert,

re: **United States v. Frank Sarro &
Christian Romandetti**

I write on behalf of myself and Fritz Scheller, Esq. attorney for Christopher Romandetti, to request an adjournment to September 20, 2019 at 10:45 AM for discovery purposes.

Within the last two weeks we have received voluminous discovery to review, as is characteristic of security fraud cases.

I have consulted with AUSA Rose and he has no objection to our joint application.

The defendants specifically waive Speedy Trial time for this time period.

Thank you for your consideration in this regard.

Sincerely,

PERINI & HOERGER

MAUREEN S. HOERGER
